## Financial Information

A margin account allows you to borrow from TD Ameritrade against certain securities as your collateral. A decline in the value of your securities may require you to provide additional funds, or force the sale of securities in your account. Selling short can expose you to potentially unlimited risk. By applying for margin privileges, you represent that you understand and agree that margin features are subject to the terms and conditions of the Client Agreement, which you have agreed to by submitting this Account Application. You acknowledge that securities securing loans from TD Ameritrade may be lent to TD Ameritrade and lent by TD Ameritrade to others. You also acknowledge that if you trade "on margin" you are borrowing money from TD Ameritrade and that you understand the requirements and risks associated with margin as summarized in the Margin Account Handbook and Margin Disclosure Document.

Check this box to apply for margin privileges. Available for closing transactions only.
