### Cash Sweep Vehicles Interest Rates\*\*

#### TD Ameritrade FDIC Insured Deposit Account (IDA) Rates

#### TD Ameritrade Cash Rates

For current rates, please call 800-669-3900 or go to the TD Ameritrade website at: <https://www.tdameritrade.com/pricing/margin-and-interest-rates.page>. Subject to change without prior notice.

\*\*Interest rates paid on balances in the IDA and TD Ameritrade Cash are based on tiers. The previous day's closing balance determines eligibility for a particular tier each day. Simple interest is accrued daily, based on the interest rate tier applicable to each day's balance, and is credited to your account on the last business day of the month. In accordance with the Client Agreement, TD Ameritrade may change the tiers and rates at its discretion and without notice and is not obligated to pay different rates between tiers. Rate changes may vary by program, location, or arrangement.

TD Ameritrade receives a fee from the IDA Program Banks that ranges from 1.1 to 1.4%. TD Ameritrade has the right to waive all or part of this fee. The rate of the fee that TD Ameritrade receives may exceed the interest rate or effective yield that you receive in your IDA, and the payment of the fee reduces the yield that you receive. Other than the applicable fees charged on brokerage accounts, there will be no charges, fees, or commissions imposed on your account for this cash sweep feature. The current IDA interest rate will be disclosed on the TD Ameritrade website and may be changed without prior notice.

‡ Some accounts, such as options-approved accounts, are required to receive monthly statements either electronically (free) or via U.S. mail.

<sup>1</sup> Applies to certain sell transactions, assessed at a rate consistent with Section 31 of the Securities Exchange Act of 1934. TD Ameritrade remits these fees to certain self-regulatory organizations and national securities exchanges, which in turn make payment to the SEC. These fees are intended to cover the costs incurred by the government, including the SEC, for supervising and regulating the securities markets and securities professionals. The rate is subject to annual and mid-year adjustments which may not be immediately known to TD Ameritrade; as a result, the fee assessed may differ from or exceed the actual amount of the fee applicable to your transaction. Any excess may be retained by TD Ameritrade. Fees are rounded to the nearest penny.

<sup>2</sup> This fee varies by options exchange, where an options trade executes, and whether the broker responsible for the trade is a member of a particular exchange. As a result, TD Ameritrade calculates a blended rate that equals or slightly exceeds the amount it is required to remit to the options exchanges.

<sup>3</sup> This fee is assessed at a rate consistent with Section 1 of Schedule A of FINRA's By-Laws for trading activity. Current rates are: \$0.000119 per share for each sale of a covered equity security, with a maximum charge of \$5.95 per trade; \$0.002 per contract for each sale of an option; \$0.00075 per bond for each sale of a covered TRACE-Eligible Security (other than an Asset-Backed Security) and/or municipal security, with a maximum charge of \$0.75 per trade; \$0.00000075 times the value, as reported to TRACE, of a sale of an Asset-Backed Security, with a maximum charge of \$0.75 per trade. Fees are rounded to the nearest penny.
