We hope you are pleased with the convenience offered by our paperless online application services. It is our goal to make all of your transactions and service requests with TD Ameritrade this convenient. Since the online application uses electronic signatures and various methods to verify the identity of account owners, written signatures are not required to open such accounts. However, at this time we are requesting you complete this Signature Verification Form so that we may authenticate a written signature. By completing and returning this form, you may avoid the inconvenience and delay of some future account activity, such as those items detailed in Section 1.

Please ensure the Signature Verification Form includes EITHER an active notary, a Medallion Signature Guarantee, a TD Ameritrade branch stamp, OR is accompanied with a copy of a current government issued photo ID.

1. VARIOUS EXAMPLES OF SITUATIONS THAT MAY REQUIRE WRITTEN SIGNATURE VERIFICATION

- Account transfers (to or from a non-TD Ameritrade account)
- Requests to move assets to non-like-titled accounts held at TD Ameritrade
- Address changes submitted via fax or mail
- Request to add/remove an account holder

If submitting a copy of a current government issued photo ID, then only a signature is required for Section 2.

2. SIGNATURE VERIFICATION

Please sign the Signature Verification section at a Branch or in front of a notary/signature guarantee.
