6. ADDITIONAL GUIDANCE

If you have any questions, TD Ameritrade's Outbound Wire Department is available Monday through Friday, from 7:30 a.m. to 5:30 p.m. Eastern Time. Please feel free to call us directly, at 888-723-8504, option 3.

Abbreviated Names – TD Ameritrade must verify certain information regarding the recipients of all wires. Please do not abbreviate the recipient's name, as this will delay our ability to process your request. If the receiving bank account utilizes initials, please include the full name of the client, as well as the appropriate bank account title.

Domestic Wire Transfers – If the wire is going to a U.S.-based account titled exactly as your TD Ameritrade account, your wire can be submitted through your online account or through a broker over the phone.

Foreign Currency Wires – All wires are sent in U.S. Dollars, unless specifically requested in a foreign currency. Wires that are being sent in a currency other than U.S. Dollars will be exchanged into that other currency on the day the wire is initiated. Please be aware that the exchange rate will be determined by our vendor bank, and may be different than the prevailing rate at the Forex.

Future Date Wire Requests – In general, it is advisable to schedule a wire transfer no more than a couple weeks in advance. However, it is possible to submit your wire request up to 180 days in advance of when you wish the wire to be sent. When setting up a post-dated wire, the client assumes the responsibility for ensuring that the funds will be available for withdrawal on the date the wire is to be sent.

Online Wire Request – If the wire is going to an account titled exactly as your TD Ameritrade account, your wire can be submitted through your online account or through a broker over the phone. International and third party wires cannot be submitted through the TD Ameritrade website; you must use this International Wire Request form to initiate any international wire.

Recurring Wire Requests – Recurring wire requests are available through the TD Ameritrade website only. International or third party wire requests, which require written authorization for each wire request, cannot be submitted as recurring wire requests.

Restricted Transactions – All wires are subject to review, and certain restrictions may apply, based on the specific circumstances of each individual wire request, as well as U.S. and/or International regulations, or TD Ameritrade policy.

Signature Verification – To ensure there are no delays in processing your wire, please include a copy of your government-issued photo identification, bearing your signature. This will allow us to more rapidly verify your information, and allow for more efficient processing of your wire request.

Third-Party International Wires – All third party international wires are subject to approval. Third party international wires to certain countries may be prohibited, based on U.S. and/or International regulations, or TD Ameritrade policy.
