

As you prepare your 2017 tax returns, please review the following information, which is intended to help you determine what portion, if any, of the dividend income you received from your TD Asset Management USA Funds Inc. ("TDAM") — TD Money Market Portfolio, TD U.S. Government Portfolio, TD Municipal Portfolio, TD California Municipal Money Market Portfolio ("TD California Municipal Portfolio"), TD New York Municipal Money Market Portfolio ("TD New York Municipal Portfolio"), TD Institutional U.S. Government Fund, TD Institutional Treasury Obligations Money Market Fund, TD Short-Term Bond Fund, TD Core Bond Fund, TD High Yield Bond Fund, TD 1- to 5-Year Corporate Bond Portfolio, TD 5- to 10-Year Corporate Bond Portfolio and/or TD Target Return Fund — may be exempt from taxes on a federal, state and/or local level. This information is only a guideline. For specific questions regarding your personal tax situation, please consult with your accountant or other tax professional.

As you may know, mutual fund dividends derived from certain U.S. government obligations may be exempt from state and local income taxes. A portion of the ordinary dividends paid in 2017 by the U.S. Government Portfolio, the Institutional U.S. Government Fund and the Institutional Treasury Obligations Money Market Fund was earned from investments in securities issued by agencies and/or instrumentalities of the U.S. government.

Since tax laws vary among different states, please consult your tax advisor about the specific rules in the state in which you pay taxes.

Tables A1 through A10 provide information that should be shared with your tax advisor to help determine whether you are eligible for any exemptions.

**IMPORTANT STATE TAX INFORMATION  
FOR THE MUNICIPAL PORTFOLIO,  
CALIFORNIA MUNICIPAL PORTFOLIO  
AND NEW YORK MUNICIPAL  
PORTFOLIO INVESTOR**

Most states do not impose personal income tax on federally tax-exempt dividends derived from their own state, municipal or local obligations but tax other states' obligations. Tables B, C and D show the portion of federally tax-exempt dividends derived from interest, on a state-by-state basis.

Please note some states may tax such dividends in whole or in part. In addition, some states have threshold requirements that may restrict the pass-through of the exemption for such dividends.

For more information about how your state taxes such dividends, please consult with your tax advisor.
